MRV CONVERSION

The award winning MRV's uniquely engineered suspended multi-height, ultra comfortable removable bed system offers unparalleled versatility, when combined with its 4 rail M1 certified floor system, to clip in up to three removeable optional reclining, fold flat seats in left, right or centre positions, anywhere on full length rails. Perfect for transporting motorbikes or anyone with a sport, hobby or business interest looking for intelligent versatility. The MRV shares the same high specification and furniture found in the Leisure Van, the MRV's fundamental advantage is flexible, optimised storage.

DAY VAN CONVERSION

Another award-winning Auto Camper optimising intelligent versatility! The Day Van offers a six rail M1 certified floor for optional removable modular furniture or fold flat reclining seats. The removable bed system's telescopic design allows multiple low or high bed configuration with the unique option of a full length, full width bed. The Hi-line roof model optimises storage with deep overhead lockers and has the convenience of all season's insulation. Essentially the Day van is your blank canvas to evolve and configure to your work, rest or play!
