# Leisure Van

The Leisure Van is similar to the Classic, however it has evolved to include twin side sliding doors that exploit the inside/outside kitchen. Add a cassette awning on one side for a sheltered social hub and add a drive-away awning to the other side for additional berths or storage on your longer road trips! In addition the unique use of a drawer fridge and swivel driver seat provide ample leg room.

# Leisure Van

## Q: WHY CONSIDER THE LEISURE VAN?

**A:** Perfect for a couple to use primarily for themselves as a Camper with 4 travel seat, the mid mounted seat / bed provides generous habitation space and pragmatic boot space including designated storage for cables and screens.

**A:** Twin sliding doors are the Leisure vans unique selling point, offering kitchen facilities both inside and outside, relax in contoured swivel cab seats with generous leg room and enjoy cross ventilation on a warm summers night, alternatively, sit outside and easily grab a chilled beer or glass of pinot grigio from the drawer fridge and watch the sun set.

**FORD 130ps TREND MODEL:** Body colour coded front bumper, front fog lights, power folding & heated door mirrors, heated windscreen, privacy glass, full wheel covers, auto sensing wipers & lights, rear wash/wipe, projector cornering headlights, front & rear parking sensors, DAB Radio/CD with multi function display, Ford Sync, leather trimmed steering wheel, cruise control, lockable glove box, ABS, ESP, side wind mitigation & roll stability control and driver / passenger air bags.

**FORD 170ps LIMITED MODEL:** The Limited model offers all of the above Trend options and adds comfort, value and style including; air conditioning, 16" alloy wheels, colour coded rear bumper, side mouldings, handles and mirror caps, switchable perimeter alarm and Ecko Pewter trim. Please note heated rear glass and wash wipe option is not configurable with limited model, The 170ps TDCi Euro 6 engine is the highest output Ford engine.

**VW T6 HIGHLINE MODEL:** VW's Highline model is a close comparison to Ford's Limited model including colour coded body mouldings, alloys, air con, cruise control, blue tooth, rear parking sensors, auto lights, fog lights, heated adjustable mirrors and heated windscreen. The 150ps model offers 6 speed manual transmission as standard, whilst the 204ps model offers ultimate performance.

**CONVERSION:** Quality starts with white high gloss, high pressure laminate furniture board; these robust boards are skilfully cut and routed by hand with nylon edge banding mechanically adhered. Both floor and side panels are insulated, whilst slip resistant altro flooring and stainless steel door trims endure the most extreme of lifestyles. Relax in single, driver and passenger heated swivel seats, twin side doors with fixed LH window, RH sliding window, glazed tailgate or barn doors, Space saving tambour doors are quiet on the move and enhance the automotive interior feel. Live independently off grid with a two ring gas hob and associated gas box, stainless steel sink, large under floor fresh and grey water tanks, 115AH leisure battery, 240V hook up, 100W solar panel, 50ltr compressor drawer fridge, cab silver screens, black out curtains, LED lighting, large multi position table system and flip up kitchen unit worktops. The M1 certified mid mounted fixed double rear travel seat / bed uniquely reclines in multiple positions, with stowage under for a porta potti. The bed transforms intelligently into a comfortable day bed to enjoy that all important morning cup of tea.

**LO-LINE:** Ford steel roof, panoramic glass roof hatch with silver- screen insulated black out.

**POP-TOP:** Reimo front lifting elevating roof inc front spoiler, front window and side screens with curtains.

**HI-LINE:** Ford steel roof, full height rear barn doors, LH upper locker, full height RH wardrobe extension, locker over kitchen and over cab locker, 500mm x 500mm roof light complete with black out blind and insect screen.

**Q: WHY CONSIDER AN MRV?**

**A:** The MRV's greatest asset is its suspended bed and intelligent versatility, combining flexible load space, optional single rear travel seats and the same fixed longitudinal twin side door furniture as the Leisure van.

**A:** Perfect for a day out, or, wild camping for days independently off grid, because of the large fresh and waste water tanks, 2 burner gas hob & gas bottle, Porta potti and designated leisure battery including 100W solar panel.

**FORD 130ps TREND MODEL:** Body colour coded front bumper, front fog lights, power folding & heated door mirrors, heated windscreen, privacy glass, full wheel covers, auto sensing wipers & lights, rear wash/wipe, projector cornering headlights, front & rear parking sensors, DAB Radio/CD with multi function display, Ford Sync, Leather trimmed steering wheel, cruise control, lockable glove box, ABS, ESP, side wind mitigation & roll stability control, driver & passenger air bags.

**FORD 170ps LIMITED MODEL:** The Limited model offers all of the above Trend options and adds comfort, value and style including; air conditioning, 16" alloy wheels, colour coded rear bumper, side mouldings, handles and mirror caps, switchable perimeter alarm and Ecko Pewter trim. Please note heated rear glass and wash wipe option is not configurable with limited model, The 170ps TDCi Euro 6 engine is the highest output Ford engine.

**VW T6 HIGHLINE MODEL:** VW's Highline model is a close comparison to Ford's Limited model including colour coded body mouldings, alloys, air con, cruise control, blue tooth, rear parking sensors, auto lights, fog lights, heated adjustable mirrors and heated windscreen. The 150ps model offers 6 speed manual transmission as standard, whilst the 204ps model offers ultimate performance.

**CONVERSION:** Single drivers and passenger swivel cab seats, LH fixed 2nd row side window, twin side doors with sliding RH window, glazed tailgate or rear barn doors. High gloss white furniture, complete with bespoke alloy extrusion, edge banded trim, tambour doors, 2 ring gas hob and associated gas box, stainless steel sink, large under floor fresh and grey water tanks, 115AH leisure battery & 240V hook up, 100W solar panel, 50ltr compressor drawer fridge, cab silver screens and black out curtains, LED lighting, large multi position table system and flip up kitchen unit worktop. Multi height suspended bed system which simply extends to create a generous comfortable bed over the load area, also can be set as a double habitation seat or a day bed. Insulated floor topped with heavy duty vinyl, cupboard for portable toilet. The optional bonded floor allows multiple seat positions, secure mounting points for loads and wheelchair restraint systems, rubber insert available to keep tracks clean and support interior aesthetics.

**LO-LINE:** Ford steel roof, panoramic glass roof hatch with silver- screen insulated black out.

**POP-TOP:** Reimo front lifting elevating roof inc front spoiler, front window and side screens with curtains.

**HI-LINE:** Ford steel roof, full height rear barn doors, LH upper locker, full height RH wardrobe extension, locker over kitchen and over cab locker, 500mm x 500mm roof light complete with black out blind and insect screen.

ULTIMATE COMFORT

LUXURY SEATS IN SOCKETS

### CAMPER VAN of the YEAR

The Day Van "Tourneo" is a true crossover luxury daily drive or a Camper. Based on the 8 seat Tourneo Custom. Ford's fold flat seats afford you the ultimate comfort. Auto Campers buy back unrequired seats and allow you to configure a Camper from removable modular options to enhance your lifestyle.

FOLD & TILT

KITCHEN MODULE INSIDE

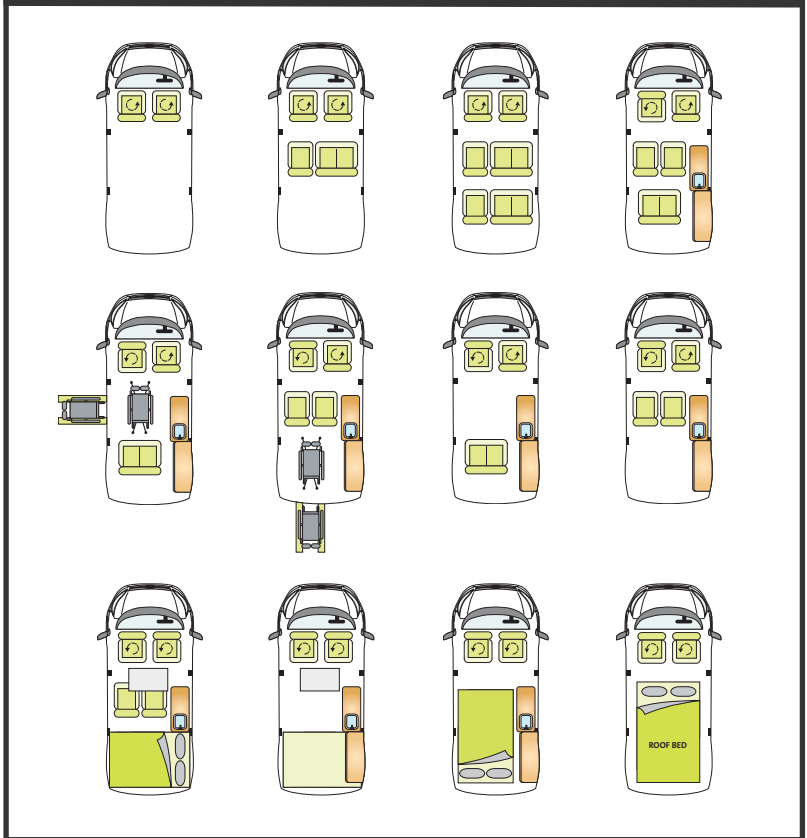

KITCHEN MODULE OUTSIDE

LOWER & TOP UNITS

### "TOURNEO" SINGLE & DOUBLE SEATS, FLOOR SOCKETS

### WHEELIE WHEELS

### OPTIONAL VARIABLE FLOOR SYSTEM

The "Base" model Day Van is an affordable, flexible alternative to the Day Van "Tourneo" with the optional M1 certified 6 x rail bonded floor system specified. Single seats on wheelie wheels can be positioned LH, RH or centre at any point on the rails. Whilst the same modular removable Day Van furniture can be specified to meet your individual lifestyle.

### ULTIMATE VERSATILITY

### MIDI UNIT

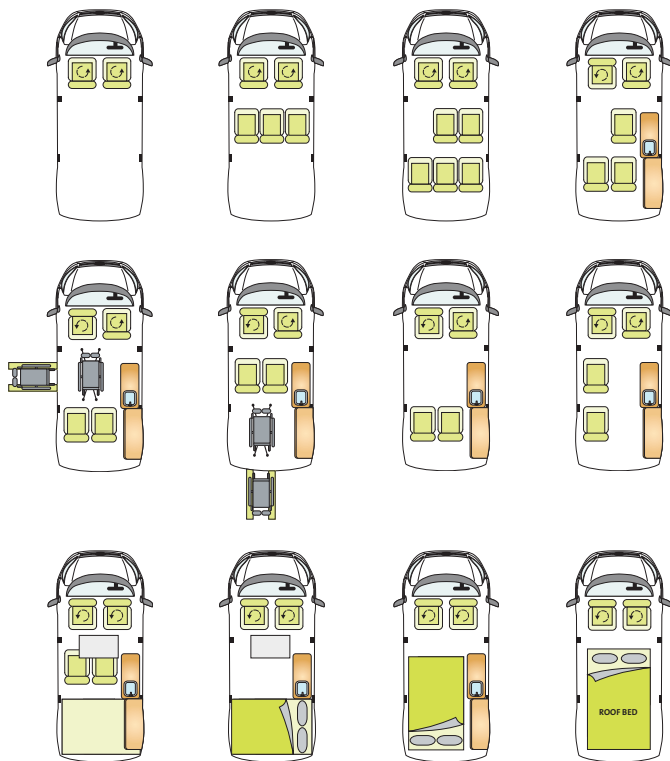

### UTILITY MODULE

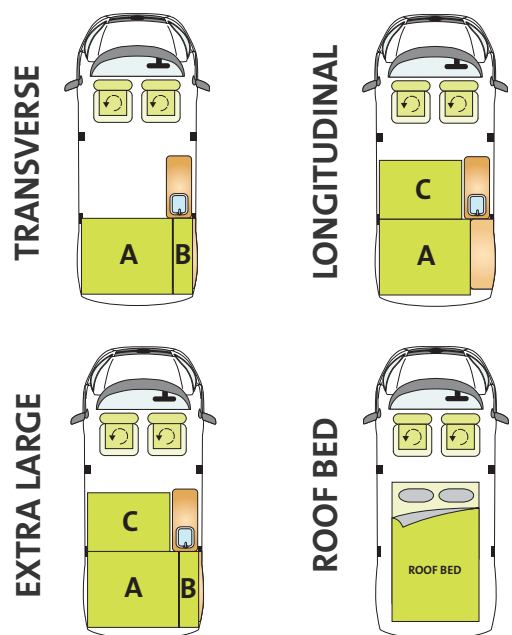

### FLEXIBLE

### "BASE" 6 RAIL BONDED FLOOR, UP TO 7 TRAVEL SEATS

### BED OPTIONS

Universal transverse bed fits with or without base module.  
Bed suspends over folded seats or with seats removed to provide versatile & generous load area combinations.

# Day Van "TOURNEO & BASE"

## Q: WHICH DAY VAN IS RIGHT FOR ME?

**A:** The Day van "Tourneo" offers you 8 luxury travel seats as standard, Auto Campers will buy back any unrequired single or double travel seats, the only concession is the seats are static in fixed floor sockets. The "Base" Day van is affordable and offers two cab seats as standard, the easily removable single M1 certified rear travel seats with wheelie wheels provide greater flexibility when combined with the optional 6 rail bonded floor. The Day van "Base" is registered as a "van" and may provide commercial tax advantages for business owners. Both models accept the same options overleaf.

## Q: SHOULD I CONSIDER THE MRV?

**A:** Both MRV & Day Vans models share our Innovative suspended bed, The Day van "trumps" the MRV with a 100% clear load space and the option of a full width wider bed, plus up to 8 passenger travel seats. The MRV "trumps" the Day van when "off grid" with larger water tanks, gas bottle, 2 burner hob, solar panel as standard and furniture providing more efficient designated storage.

## Q: WHICH ROOF HEIGHT IS RIGHT FOR ME?

**A:** This depends if you think with your head or your heart, the Lo-line is the most affordable and just sneaks under most height barriers. The Pop top carries the highest premium, but it's your only option if you need 4 berths within the van, plus in the Summer the pop top gives you the best of both Lo-line & Hi-line. The Hi-line is the most pragmatic roofline giving you insulated comfort from September to April, organised storage, removing "clutter" from your floor and is significantly cheaper than a Pop top. If 4 berths are only required for occasional summer use, then a drive-a-way awning could be an alternative solution.

**CONVERSION:** Just because either the Day van Tourneo or Day van Base offers hundreds of combinations doesn't mean you need them all at once! Most owners will usually switch between a couple of floor plans in the knowledge they can always add or remove elements in the future or when a specific occasional floor plan is needed.

All day vans include, swivel passenger single seat, blackout curtains, cab silver screens, Suspended bed anchors & reinforced integral rear bed supports, insulation & Carpet trimmed, Altro flooring & stainless steel door trims, LED lights, 240V hook up, designated leisure battery and 240V/12V charger.

The above is a perfect platform to then configure your individual specification from the options list overleaf.

“Auto Campers is the brand name of our Innovative series of Campers proudly offered by Roy Wood Transits (South) and Firth Campers (North). As Managing Director of Roy Wood Transits and a father of 3 children with 2 dogs, Campers and Transits have been a passion throughout my own childhood and working life, I’m fortunate to have been able to combine our engineering skills and experience, representing some of the world’s best Campers with creative thinking and multi award winning craftsman Carl Firth to create Auto Campers 4 models and 1000’s of options!”

“Our aim is to intelligently design an affordable Camper based on the new Transit Custom or Volkswagen T6 and to ensure you find the right specification for your lifestyle”.

Steve Wood
