

INTELLIGENT VERSATILITY

Happy New Year

Thank you for your previous interest in our award winning Campers.

Following a very busy 2015 introducing the new Leisure Van and MRV, 2016 looks to be equally as exciting.

Stop Press News

New 2.0ltr TDCi stage 6 Euro compliant engine now available, Increased power, torque and fuel efficiency.

Enhanced safety with new technology providing roll stability control and side wind mitigation.

Beat the Ford Price Increase

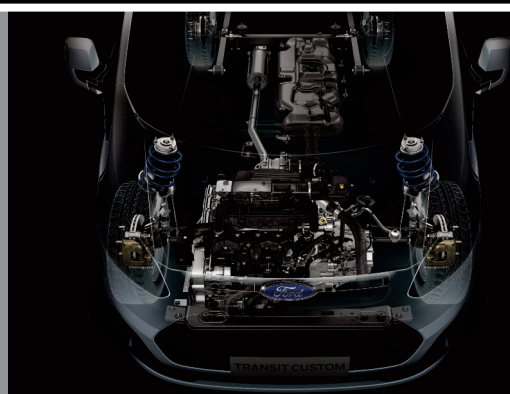

Inevitably new technology comes at a cost, Euro 6 model 130ps Auto Campers will increase by £1,200 and 170ps models by £1,500, we have absorbed a percentage of Fords increase and maintained all other pricing. Enquire now and ask about savings on limited Euro 5 stock.

CARAVAN CAMPING & MOTORHOME SHOW 2016

Demonstrator Deals

As we prepare new demonstrators for the February show, we will be selling our 2015 models. Enquire now about availability and Savings on unregistered stock most with mileage under 500 miles.

Hire Before You Buy

Buying a Camper is a significant investment that will need to satisfy many objectives over a typical 5-10 year ownership. Because our floor plans are so versatile, we offer a try before you buy scheme so you have the opportunity to enjoy and test our intelligent designs.

Ever Thought About LHD?

If you can compromise with LHD then consider the Ford Transit Custom, Westfalia Nugget Camper. Iconic build quality and 5 generous travel seats set this camper apart from the crowd. Find out more about our UK compliant and registered 2015, delivery mileage Westfalia Nugget pop top on www.auto-campers.co.uk/stocklist

Relocation Plans

Now in our 46th year, we have plans to relocate to a purpose built facility offering modest showroom, 5 service Bays and a conversion shop. We have secured the site and now face the challenges of gaining a planning consent.
